### **CA Inter – NOV 22 TEST SERIES**

#### ***Why TEST SERIES***

Based on my past experience and interaction with many students, I realized that there was a complete lack of practice. Generally, a student used to directly appear for the Exam conducted by ICAI without giving any tests, without testing himself/herself and not knowing how to attempt a paper taking into consideration both '**accuracy**' and '**speed**'.

Thus, VD Education has taken an initiative of first laying out a proper plan & schedule clearly indicating what to study, how to study, and then with the help of lots of Tests, can practice, get prepared, understand how to handle 'accuracy' and 'speed' together and perform as well making sure he/she achieves success.

#### ***Features of Test Series***

- 1. Chapter wise Tests on each subjects in addition to Preliums will make one totally prepared to face the exam pressure, nervousness and can confidently attempt the paper.*
- 2. After every test that you appear, you will receive your checked paper **along with Model Answer** to that Test within 5 working days.*
- 3. Tests have been designed in such a manner that all the subjects would keep on rotating and it will force you to study each of them and devote your time to every subject.*

#### ***How will Test Series Work:***

- 1. For every subject, there will be 3 Chapterwise Tests + 2 Preliums (Full Syllabus).**
- 2. Chapter wise Tests would be of 50 Marks and Preliums would be of 100 Marks each**
- 3. A student has two options to choose from – “Online Option” OR “Offline Option”**

## ***Online Test Series Option***

If a student selects Online Option then following are the steps to be followed:

### **OPTION A: If you follow the schedule given by VD Education**

**Step 1:** You will automatically receive a question paper on your registered email id of the scheduled test on the day of test before 12 pm

**Step 2:** Download the question paper sent to you

**Step 3:** Start giving the test on a notebook/loose sheets

**Step 4:** Click the photo or scan the pages serial wise, merge them and send it on the same day by 6 pm on our VD Education official email id in the Pdf format only. *(You can use website like ilovepdf.com for conversion of images into Pdf or for merging them)*

**Step 5:** As soon as we receive, the evaluation process will start immediately by our team of faculties

**Step 6:** The checked paper along with the model answer will be sent back to your email id within 5 Working Days.

### **OPTION B: If you are not following the schedule and want to customize your tests**

**Step 1:** You will have to message us the test code of the test you wish to appear on the previous day of writing the test **before 6 pm** on our VD Education Mobile No. (9579752626). You will receive the question paper on your registered email id on the next day before 12 pm

## ***Offline Test Series Option***

In this option, you will have to visit VD Education premises for appearing the tests. It will give you exam like feel as there will be other fellow students writing tests which will bring out seriousness in you.

Student can either follow schedule prepared by VD Education OR Can customize and give in any sequence as student desires.

## **Frequently Asked Questions (FAQ)**

### ***I am interested in this test series, but I don't know how to start my preparation.***

We have many such students asking the same thing. To clear such doubt, we have already prepared a schedule for every test, every subject, every group which will help you plan your studies in a better manner. In the following pages, you will come across a detailed schedule which if you follow will help you study and revise all subjects in a rotating manner so that you can invest sufficient time in each subject.

### ***Is it compulsory to follow schedule?***

No. It is not necessary to follow the given schedule. If you have already prepared your own study plan then you can follow it as well. This is one of the **best features** of VD Education Test Series.

Here, a student is not forced or compelled to give a particular test at a particular day, because if the test is conducted without student preparation, then the test series will not add any value to your hardwork and preparation.

***Does that mean I can give any test on any day in any sequence.?***

Yes. You got it right! You can give any test on any day in any sequence. This will help you prepare for your studies in a better manner and you can dedicate sufficient time to your weak areas.

**This means that I can take any amount of break between two test or if I feel can give two tests on two consecutive days also.**

Yes. A student may not give any test at all for a week. And then he/she can give any number of tests back-to-back without any break. It is completely upon a student's strategy. Student will be at full freedom to appear for test as per his/her wish.

**Can I change the sequence of attempting preliums?**

No. Please note, flexibility with respect to giving any test on any day is only available for chapterwise tests. Preliums should be given by a student on the schedule day only.

**If I am not able to give some test in the middle due to some unavoidable circumstances, then can I get questions and model answers for those tests?**

Yes, we will help you provide that only in case you inform us prior to prelium starts.

**Can I give chapterwise tests after preliums begins?**

No. Please note all chapterwise tests should be given before prelium starts. Any chapterwise paper given after prelium starts will not be evaluated.

**Will I get suggestion for every test I write?**

Yes. We have a special section for comments in our answer sheet. If the faculty checking your paper feels to give you any constructive suggestions, then he/she may write it on your paper.

**Whether Test Papers will be designed as per ICAI pattern?**

Chapter wise tests would not consist of any MCQ. This is done to cover as many practical/descriptive questions and give you more practice. Preliums (Full Syllabus) tests will be as per ICAI pattern of 30:70 for respective subjectas applicable.

**What will be the quality of questions asked in test?**

It should be noted that test questions shall cover all available Institute materials:

- a) Revision Test Papers
- b) Practice Manual
- c) Suggested Answers
- d) Module
- e) Compilations
- f) Supplementary Study Material
- g) Any amendments if applicable

So do not worry about the quality of the questions that would be asked in test. Our model answers also will be inthe prescribed format and as per the direction of ICAI.

**How can I enroll for test series? What is the procedure?**
